Dear Parents and Community Members,

Everyone is a leader! This is one of my core beliefs that I first shared with the staff at Bea Underwood back on our very first day together in August. I still believe everyone is a leader in some way or some capacity. It takes leaders at every level to help students. Parents and community members have provided us a wealth of leadership this year in making this a better school for students. It takes hard work and partnerships to make BUE a great school!

This is where we need your leadership and help again! All year you have been providing us feedback on certain topics and concerns. On Monday, May 18th from 5:00-6:00 p.m. is the PTO meeting, from 6:00-6:30 p.m. will be a community mixer with snacks provided, from 6:30-7:30 p.m. an Open Forum will be held in the cafeteria for parents and community members to ask their questions about education. Your questions are very important to us and we would like to collect as many as possible before the Open Forum. This allows everyone the opportunity to be involved even if they can't attend the meeting. Below are some lines you can write your questions and send back to the school by Friday, May 15th. To help you here are some topics you may want us to cover:

- Information about the new St. John Elementary for grades 4 and 5.
- Instructional programs and ways to help all students.
- Summer School information
- School safety and behavior

Name: _____

Questions: _____

BUE Vision: See the future and improve tomorrow by preparing for it today through highly effective teaching and learning.

Sincerely,

Brian Berg
Principal
